WAVES OF CHANGE CAREERS

CAREER PROGRAM OPTIONS

**Customized programs and sessions are also available to suit your indivIdual needs*

CAREER DISCOVERY

4 sessions | $650

Discover your strengths. Explore your options. Find your direction. This package helps you better understand yourself, explore potential career paths, and identify options that align with your interests, strengths, values, and goals.

Best for you if:

- You're unsure what career you want to pursue.
- You're questioning your college major or educational path.
- You're exploring alternatives to a traditional degree.
- You're considering a career change but don't know where to begin.
- You want to explore your options before committing to a direction.

You'll walk away with: A clearer understanding of yourself, potential career directions to explore, and a personalized roadmap with actionable next steps.

CAREER LAUNCH

6 sessions | $975

Turn your career direction into action. This package combines career guidance with practical preparation to help you pursue jobs, internships, educational opportunities, or your next professional step.

Best for you if:

- You have a general career direction but aren't sure how to get started.
- You're preparing to enter the workforce or transition into a new field.
- You need help with your resume, cover letter, LinkedIn profile, or professional branding.
- You want to strengthen your job-search, networking, and interviewing skills.
- You're ready to pursue opportunities but want a clear strategy and guidance.

You'll walk away with: A focused career plan, stronger professional materials, a personalized search strategy, and greater confidence taking the next steps.

CAREER GROWTH

8 sessions/4 check-ins | $1625

Build momentum with ongoing guidance and accountability. This package provides continued personalized support as you navigate a career or educational transition, implement your plan, work through challenges, and adjust your goals along the way.

Best for you if:

- You're navigating a significant career or educational transition.
- You need support with multiple aspects of your career development.
- You want help staying accountable and following through on your goals.
- You're actively pursuing opportunities and need guidance as situations arise.
- You want an ongoing professional resource as your needs and goals evolve.

You'll walk away with: A personalized career strategy, practical tools, ongoing accountability, and support to help you navigate your transition and maintain progress.
